LEAP is a registered charity [1118612] that enables students to set up their own companies for a school year, learning business skills, teamwork and problem solving, and gaining confidence and "saleable" skills. We guarantee the students will be more confident for their university and job interviews.

The students [14 to 17] must raise their own share capital, choose and make or buy a product, write a business plan and market the product. At the end of the year they have to present their Company and its results to a panel of Business Advisers and write an Annual Report with financial accounts.

By participating in the LEAP process, the seminars and the competitions, the students are better prepared for job and university interviews [gaining skills and confidence] and it may even help them to set up their own companies later on.

LEAP is completely run by volunteers from schools and business and supported by local businesses.

**Tuesday 20<sup>th</sup> September, 2011 Launch at Allerton High, 5pm to 7pm**

# LEAP Enterprise Programme

## Launch and Getting Started Seminars 2010/11

**Tuesday 20<sup>th</sup> September 2011**

Venue: Allerton High Business and Enterprise Specialist School, King Lane, Leeds LS17 7AG.

The school is next to the park and ride on King Lane.

**note:** This year the Launch and Getting Started meetings are to be on the same day.

The meeting is for all Enterprise Teachers, Volunteers and students. At least one teacher from each school should attend and as many of the students and volunteers as possible.

- a) You need to register your school for the 2011/2012 LEAP Programme.
- b) You need to register your volunteers, or apply for volunteers and we will be discussing the new CRB rules.
- c) You will need to collect the Startup booklets.
